MAY 2014

Today marks the 5th anniversary of a very fruitful collaboration between MCOM Media Communications and Mustafa Sultan Security & Communications, Oman, to offer innovative hospitality technology and IPTV solutions in the Sultanate of Oman.

In the last five years, MCOM and Mustafa Sultan have together installed HOTstream solutions in some of the most luxurious and demanding facilities in Oman, having already a strong pipeline of new projects to deploy in the forthcoming months.

"We are proud to work closely with one of the most prestigious partners in the Sultanate of Oman. We consider the 5 years of collaboration as the first step of a long lasting and successful partnership with Mustafa Sultan Security & Communication Systems Co. LLC."

Mr. Dimitris Petinos, MCOM's VP Sales & Marketing

"Our collaboration with MCOM has proven to be up to our expectations and standards, having experienced consistent support and close cooperation on all projects. By knowing HOTstream's roadmap for the coming years, we are eager to continue what started five years ago. We've accomplished a lot and there's much more opportunity that awaits."

Mr. J. Raman, General Manager
